This dataset is drawn from the incident report data captured in SSHA's bed and program management database. The following fields represent the categorized data that is available in these reports to address the requested information.

Year of incident date	Year of the date of indicident
Month of indicident date	Month of the date of indicident
Total incidents where nature of incident includes violence	Total incident reports for incidents where the nature of the incident was flagged with one or more of five descriptors that reflect violence. Descriptors are not mutually exclusive--more than one can be indicated for a single incident.
Nature of incident includes "Physical Assault against staff"	Total incident reports for incidents where the nature of the incident was flagged as including "Physical assault against staff"
Nature of incident includes "Physical Assault against resident"	Total incident reports for incidents where the nature of the incident was flagged as including "Physical assault against resident"
Nature of incident includes "Threats of Death or Harm"	Total incident reports for incidents where the nature of the incident was flagged as including "Threats of Death or Harm"
Nature of incident includes "Self-Harm"	Total incident reports for incidents where the nature of the incident was flagged as including "Self-Harm"
Nature of incident includes "Throwing Object"	Total incident reports for incidents where the nature of the incident was flagged as including "Throwing Object"
Incident report specifies a police report number	Total incident reports where the incident report included a police report number. This will not capture all incidents where police were called.
Incident report indicates charges laid	Total incident reports indicating charges were laid.
